

Puget Sound Speed skating Club

Team Captain Andrew Lee Speech:

Aaron is retiring after last season. He has had a great career. Aaron went to the 2018 Pyeong Chang Winter Olympics Games and was part of the world and national team for the past few years. Our club is very proud to have a skater as accomplished as Aaron represent us. Thank you Aaron for coming back to Washington from time to time because you are a motivation and a role model for our entire club, and especially the younger skaters. You represent how much a skater can achieve if they are dedicated and work hard every day, and what you have accomplished is what many skaters dream of doing. Congratulations on an amazing career and our club wishes you success in the future!

2018 Winter Olympian and Puget Sound Speed skating Alumni

Aaron Tran Speech:

Thank you for coming. First, thank you to Coach Chang Lee, Coach Young Kim and Coach Jan Zurcher. They always mean to have the best result for you so you should listen to them. I'm very happy to be the role model for the club and I hope you all work hard. It's very important to follow your dreams, and if you work hard at your dream you can accomplish it. Thank you for all Puget Sound Speed skating Club families !!
